Subject: National Commander Dinner at Antun's

This coming year, the National Commander Dinner will be held on April 14 at Antun's in Queens. This year we will honor Jim Troiola from New York. I anticipate that this years dinner will be a sell out. I am asking all posts to start thinking about how many tables they will need for this years dinner. We need to commit in January on how many tables our county will be purchasing. If you don't get your tickets early this year, there is a good chance you will not be able to purchase tickets at a later date. Please remember, since the National Commander is from our home state, this event will sell out fast!

Please email Chairperson Mike Pankowski at mikebets@optonline.net with the number of tickets any one individual or posts will need. Tables seat 10 people. I will contact all at a later date in regards to payment.

I appreciate your early help on this great event.

Thank you

Michael Pankowski

George Tierna⁄n Adjutant

The American Legion is the nation's largest Veterans wartime organization. Centra to its mission is to mentor youth, sponsor wholesome programs, advocate patriotism, and promote national security. The American Legion Oratorical Contes is an academic speaking challenge. It teaches many things, like key leadership qualities, the history of our nation's laws, the ability to think and speak clearly, and an understanding of the duties, responsibilities, rights and privileges of American citizenship. Scholarship prizes are awarded at the County, District, Zone, Department, and National levels. The American Legion's National Organization awards the scholarships, which can be used at any college or university in the United States.

Why You Should Be Interested:

Many Americans are poorly informed about basic constitutional provisions, according to a new national survey by the Annenberg Public Policy Center.

The annual Annenberg Constitution Day Civics Survey finds that:

More than half of Americans (53 percent) incorrectly think it is accurate to say that immigrants who are here illegally do not have any rights under the U.S. Constitution; More than a third of those surveyed (37 percent) can't name any of the rights guaranteed under the First Amendment;

Only a quarter of Americans (26 percent) can name all three branches of government. "Protecting the rights guaranteed by the Constitution presupposes that we know what they are. The fact that many don't is worrisome," said Kathleen Hall Jamieson, director of the Annenberg Public Policy Center (APPC) of the University of Pennsylvania. "These results emphasize the need for high-quality civics education in the schools and for press reporting that underscores the existence of constitutional protections."

Please come out and show your support for our student contestants. They are the very best of our young people!
