American Legion Riders Suffolk County Report

Suffolk county riders participated in the following through December

Through out the holiday season. With the assistance of the rider food drives. The Suffolk County American legion riders were able to assist 39 Veteran families in having a holiday Meal.

Donations for toys for tots were delivered to detachment 247 Marine Corps League to make sure needy children received a gift.

There were two funeral escorts provided.

The riders also attended the monthly NOA services held at Calverton National. Where Veterans interred in the month of November without family or friends in attendance were recognized for their service. Names were read and they received full military honors.

In addition, through our food drives. WE delivered nonperishable food items to Cooking for veterans. This organization cooks meals and delivers them to veterans in need.

I would be remiss if I did not mention that Long Island Abate was instrumental once again this year in assisting the Rider chapters to fulfill our mandate.

Respectfully submitted,

David M. Isaacs

Suffolk County Chairman

American legion Riders
