Comrades,

As the By-Laws Committee chairperson, I would like to inform every Post to review their By-laws and send a copy to the County so they can be reviewed and sent to Department for approval. This is very important for the operation of your Post and every Post should have a judge advocate that is overseeing the Post to make sure that they are following the rules of the by-laws. If you cannot find your by-laws, you first need to call Department, Patrick Falvey (wpatrickfalvey@gmail.com), to get a copy of the latest by-laws for your Post. If Department does not have a copy of your by-laws on file, you can always go on the Department website and on the top right-hand side you will see resources, and scroll down and on the left-hand side you will see post by-laws in PDF and word format. Down load this document and fill in the missing blanks and submit it to the County by-laws chairperson.

It is very important to get this done in a timely manner.

Thank you for your cooperation.

ADJUTANTS REPORT  
September 2022

Legionnaires, any reports that you make on the floor should be written. Then they become documents which are part of the business of our county. If your report is to be given it needs to be written!

We have "News You Can Use" an almost weekly email newsletter that contains important information. Please read and use this.

SUFFOLK COUNTY AMERICAN LEGION  
BOYS STATE REPORT  
September 2022

This year's class was half the normal size, just about 500 delegates. We had a slightly reduced program due to lack of councilors, and new leadership. The delegates did not know the difference. We are attempting to have some meetings prior to midwinter to work out some of the problems.

Smithtown Post 833, James Ely Miller, had a Grand Slam with its delegates. One boy was elected Governor, and another was a delegate to Boys Nation! Congratulations to 833!

Our 2023 program needs to begin now. We do not know the price for the program but will by next meeting. Each post needs to identify its committee that will be doing the work for the coming year. You need to begin thinking about the necessary funds to make it successful.

I am reaching out to you for help, I need someone who is interested in assisting me with our county program.

Jim Beecher  
SCAL Boy State Chairman
